## BRISTOL FOLK HOUSE

# DARKROOM

Develop your  
darkroom skills  
with us

The Bristol Folk House has a temporary photographic darkroom in room 1 whilst we renovate the purpose-built space below our patio. We offer traditional, and alternative and experimental darkroom workshops and courses. All profit made from this will go towards renovating our purpose-built space.

To use our darkroom, you'll need to do a free induction. The darkroom is available to book six days out of the week, around times when the space is being used for workshops and courses.

Folk House Darkroom is moving towards becoming a more sustainable space by using more plant-based chemistry and processes in our workshops and courses.

### ROOM 1 DARKROOM FACILITIES

- Five black and white enlargers for 35mm and medium format
- Film developing facilities
- UV light for alternative processes
- Technical support and chemistry

### BOOKINGS

Individual session fees are £7.50 ph. Please book darkroom sessions in advance to ensure access to the equipment. All darkroom users share the workspace.
